Open Enrollment for the State Health Benefits Program (SHBP) and State Employees Tax Savings Program (TaxSave) is October 1 through October 31, 2022. This is your chance to join, add dependents, or make changes to your SHBP medical, prescription drug, or dental plans. Take a closer look to see what the SHBP has to offer - you might be able to save by switching to a plan with a lower premium share. Since participation in a TaxSave Flexible Spending Account (FSA) must be renewed annually, you must act if you want to participate in an FSA plan during 2023. Log into your MyNewJersey account to visit Benefitsolver or visit mynjbenefitshub.nj.gov
